1. General provisions

1.1. The "Invite a friend" promotion (the "Promotion") is a referral programme run by the operator of www.gameworldbet.sk, under which a player can invite a new player and both receive a reward under these terms.

1.2. A Referrer is a player with a fully verified player account (identity verification completed) who made at least one deposit in the last 90 days, plays in EUR and has no active self-exclusion. The operator decides which players are eligible; there is no legal entitlement to take part in the Promotion.

1.3. Each Referrer has a personal link, available in the "Invite a friend" section of the gamification widget and in the Promotion messages. The link is intended solely for personally inviting people the Referrer knows.

1.4. A Friend must be over 18, must never have had a player account at www.gameworldbet.sk, and must sign up through the Referrer's personal link. A sign-up counts if it happens within 30

days of opening the link in the same browser.

1.5. The operator reserves the right to change, suspend or end the Promotion at any time. Rewards for conditions met before the Promotion ends will be credited.

2. How the promotion works

2.1. After signing up through the link, the Friend receives the “Gift from a friend” mission in the gamification widget. The mission may take up to 30 minutes to appear after sign-up.

2.2. The Friend meets the condition by depositing at least €20 and wagering at least €100 in total within 14 days of receiving the mission. Progress is shown in the mission.

2.3. If the Friend meets the condition and has a fully verified player account, the Friend is credited with 30 free spins. At the same time, the Referrer is credited with 50 free spins and 1,000 loyalty points.

2.4. A Referrer receives rewards for up to 5 Friends every 30 days. No reward is credited to the Referrer for further Friends in that period; the Friend still receives their reward.

2.5. If three Friends of the same Referrer meet the condition in the same calendar month, the Referrer also receives a €10 deposit bonus under clause 3.4. This bonus can be received at most once per calendar month.

2.6. The Referrer is notified when a Friend signs up and when the Friend meets the condition. The Friend’s personal data is not shared with the Referrer.

2.7. Sign-ups made without the personal link, and later requests to assign a Friend to a Referrer, are not taken into account.

3. Free spins and bonus

3.1. Free spins appear in the Bonuses section. The player must activate them within 7 days of being credited; otherwise they expire without compensation.

3.2. Free spins can be used in selected Apollo Games titles; each spin is worth €0.10.

3.3. Free spin winnings are credited to the player account as real money, with no wagering requirement.

3.4. The €10 deposit bonus appears in the Bonuses section. The player must activate it before depositing and deposit at least €20 within 7 days. The bonus must be wagered 10 times within

7 days of being credited. If the player requests a withdrawal before the wagering is complete, the bonus and any winnings from it are forfeited.

3.5. A player can have only one active bonus at a time.

3.6. Free spins, points and the bonus cannot be transferred, exchanged for cash or passed to another person.

4. Abuse prevention

4.1. A Referrer cannot invite themselves. If there is suspicion that:
- the Referrer and the Friend are the same person or people from the same household,
- the accounts use the same device, IP address, payment method, bank account or address,
- a player has created several accounts or is acting in coordination with other players,
- the link has been spread in bulk, through unsolicited messages or otherwise in breach of these terms,
- a player is exploiting technical errors in the system,

the operator reserves the right to:
- withhold or cancel the reward,
- void winnings obtained from the reward,
- exclude the player from the Promotion,
- suspend or close the player account.

4.2. The operator reviews participation in the Promotion on an ongoing basis and may request additional identity verification.

4.3. The operator’s decision is final.

5. Responsible gaming

5.1. A Referrer must not send the link to anyone under 18 or to anyone they know to be restricted or excluded from gambling.

5.2. The operator may exclude a player from the Promotion at any time, in particular to protect the player. A player can ask to be excluded from the Promotion at any time by contacting customer support at support@gameworldbet.sk.

6. Final provisions

6.1. A player can opt out of marketing communications at any time using the unsubscribe link in any email or by contacting customer support at support@gameworldbet.sk.

6.2. Matters not covered by these terms are governed by the operator’s General Terms and Conditions and game plan.
